

Amendments to the Drawing:

Please replace originally filed Figures 1-13 with the seven (7) Replacement Drawing Sheets appended hereto.

REMARKS

The present Amendment is submitted under 37 C.F.R. §1.312 after allowance. This Amendment introduces no new matter and presents no further issues for consideration. The Amendment simply revises the specification and Drawings to correct inadvertent typographical errors and to bring the specification and Drawings in to agreement. Entry of the Amendment and issuance of the application is respectfully requested.

In the specification, typographical errors with regard to reference numerals are herein corrected. For example, the reference numeral associated with the DND button is changed from 38 to 30 in the fourth complete paragraph on page 6; the reference numeral associated with the I/O control device is changed from 162 to 158 in the last paragraph on page 8 which continues on to page 9; etc. Also, the text of the first paragraph on page 8 is amended to correspond with changes to Figure 8. Specifically, dimensional text (e.g., “1.1 inches”) is herein removed from Figure 8 and thus the indicated paragraph on page 8 is amended accordingly. These minor amendments resolve typographical errors and bring the specification in accordance with the drawings.

The attached Replacement Drawing Sheets are submitted inclusive of all figures appearing on the immediate prior version of each sheet. The Replacement Drawing Sheets are labeled as such in the page header (as per 37 C.F.R. §1.84(c)). As alluded to above, dimensional text is herein removed from Figures 3-5 and 7-9. Also, the labels of “Do Not Disturb” for feature 30 and “Make Up Room” for feature 32 are presently corrected in Figures 10 and 12.

The present amendments embody merely the correction of formal matters in the specification and drawings. Thus, the amendments are proper after allowance pursuant to 37

C.F.R. §1.312 and MPEP §714.16. Entry and consideration hereof and prompt issuance of the respective patent are respectfully requested.
